

(2) administrative and technical changes should be made to the EEOICPA to—

(A) improve claims processing and review by physicians panels to ensure cost-effective and efficient consideration and determination of workers' claims;

(B) provide for membership in additional special exposure cohorts; and

(C) address eligibility issues at facilities with residual radiation; and

(3) the President and Congress should work together at the earliest opportunity to develop a plan that effectively resolves the issue of a lack of a willing payor for many claims that are determined under subtitle D of the EEOICPA to be related to exposure to a toxic substance at Department of Energy facilities.

SEC. 521. SENSE OF THE SENATE REGARDING TAX INCENTIVES FOR CERTAIN RURAL COMMUNITIES.

It is the sense of the Senate that if tax relief measures are passed in accordance with the assumptions in this resolution in this session of Congress, such legislation should include—

(1) tax and other financial incentives, similar to those included in the New Homestead Act (S. 602), to help rural communities fight the economic decimation caused by chronic out-migration by giving such communities the tools they need to attract individuals to live and work, or to start and grow a business, in such rural areas, and

(2) revenue provisions which fully offset the cost of such tax and other financial incentives.

SEC. 522. SENSE OF THE SENATE CONCERNING SUMMER FOOD PILOT PROJECTS.

It is the sense of the Senate that the levels in this concurrent resolution assume that in making appropriations and revenue decisions in Function 600 (Income Security), the Senate supports the provision, to the Food and Nutrition Service and other appropriate agencies within the Department of Agriculture, of \$15,000,000 for fiscal year 2005, and \$127,000,000 for the period of fiscal years 2005 through 2009, to enable those agencies to expand the summer food pilot projects established under section 18(f) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1769(f)) to all States of the United States and to all service institutions (including service institutions described in section 13(a)(7) of that Act).
